Clean Energy Conference featuring the “Green Career Network” Suite

Thurs., Sept. 16 | 9:00 a.m. - 5:00 p.m. | San Diego Convention Center

The Clean Energy Conference “Green Career Network” Suite is where you can find out about local training opportunities, talk with companies who are currently hiring and get advice from human resource professionals. This is the place for students and jobs seekers looking for green employment opportunities.

Learn green career insider secrets. The Clean Energy Conference brings together a broad cross section of business leaders, energy experts, industry contractors and policymakers to discuss the most pressing clean energy issues.

There will be 16 sessions in four tracks:

- Home Performance
- Solar in Southern California
- Smart Energy = Smart Business
- Case Studies & Technology Update

Special \$50 Registration for Students and Unemployed

That’s a savings of \$75 off the regular rate!

Registration includes lunch and a networking reception in addition to the “Green Career Network” Suite.

To take advantage of this special offer you’ll need to:

- Register onsite the day of the event (Sept. 16)
- Show a valid student ID or show a current check stub from the Employment Development Department (EDD)
